<input type="checkbox"/> _____	_____
<input type="checkbox"/> _____	_____
<input type="checkbox"/> _____	_____
<input type="checkbox"/> _____	_____

Notes

As part of CIS 895, each student specializes in an application area and does a project related to that application area. Each student will produce and present a "Software portfolio" that contains a collection of documents related to the software development activity.

The student must receive a grade of B or better for all classes assigned by the Graduate Studies Committee and for each course used to satisfy the above requirements.

Advisor/Major Professor Signature:
